

Remarks

This amendment is intended to place this application in condition for examination on the merits.

A Notice of Omitted Items was mailed May 23, 2001 indicated that Figure 16 described in the specification was not included with the application papers. The above amendment cancels the reference to Figures 16 from the specification. No new matter has been entered.

Should the Examiner believe additional discussion would advance the prosecution of the present application, he is invited to contact the undersigned at the local telephone number listed below.

Respectfully submitted,
